NOTICE TO HIGHWAY AND BRIDGE CONTRACTORS

Sealed Proposals addressed to the State Purchasing Agent, Rhode Island Department of Administration, Division of Purchases, One Capitol Hill, Providence, Rhode Island 02903, will be opened and read in public on January 29, 2010 at 11:30AM. All bidders MUST register online at <http://www.purchasing.ri.gov>. A COMPLETED and SIGNED Bidder Certification Cover Sheet MUST accompany each bid. Bid item description and quantities estimated for this project will also be available online. Should you need assistance in registering with RIVIP or downloading a bid, call (401) 222-3766. Failure to comply will result in mandatory disqualification per Item 4 of Section 102.12 of the Rhode Island Department of Transportation's Standard Specifications for Road and Bridge Construction 1997 Edition and RI General Law 37-2-17 which references the RI Vendor Information Program (RIVIP).

DESCRIPTION: Rhode Island Contract No. 2009-CH-042, R.I. Federal Aid Contract No. NHS-0146(020), County of Providence, Town of Lincoln, Rhode Island: 1R Improvements to Route 146 – Rehabilitation of Wilbur Road Bridge No 415.

The Route 146 highway construction limits are between 3,000 feet south of Sherman Avenue to 1,500 feet north of Route 116 in the Town of Lincoln. The work shall include but not be limited to cold planing, removal of flexible pavement from rigid base, removal and disposal of guardrail and posts, removal and disposal of concrete curbing, removal and disposal of concrete median barrier, removal and disposal of signs, removal and disposal of catch basins and manholes, resetting of granite curbing, installation of new double faced thrie beam and w-beam guardrail, modifications to traffic islands, bituminous repairs to isolated concrete joints, selective clearing and grubbing, installation of signs, installation of new catch basins and manholes, bituminous paving, adjustment of utility castings, cleaning of drainage structures and pipes, maintenance and protection of traffic, installation of bituminous rumble strips, and all other incidentals necessary to execute work complete and accepted within the limits of the contract.

In addition, the intersections at Sherman Avenue/Route 146 northbound, Route 146 southbound/Route 246 south of Wilbur Road and the Wilbur Road/Route 246 will be reconstructed. The work shall include but not be limited to removal of flexible pavement, removal of the raised islands, removal and disposal of guardrail and posts, removal and disposal of concrete curbing, installation of signs, new bituminous paving, installation of new granite and concrete curbing, adjustment of utility castings, cleaning of drainage structures and pipes, pavement markings, maintenance and protection of traffic, and all other incidentals necessary to execute work complete and accepted within the limits of the contract. Also, the Ramps in the western portion of the Route 146/Route 116 Interchange will be resurfaced, minor guardrail improvements along the I-295 Ramp M and Route 146 northbound service road and the installation of a traffic camera system at the Route 146 northbound southerly Project limits.

The bridge construction is for Wilbur Road Bridge No. 415 in the Town of Lincoln. The work shall include: demolition of the existing superstructure, partial demolition of existing substructures, repair and reconstruction of the existing substructures, replacement of the bridge superstructure, and demolition and subsequent reconstruction of new roadway approaches. Demolition of the existing superstructure includes removal and disposal of the existing bridge deck, steel framing, parapets, sidewalks, joints, bearings, approach slabs, and all other related items. Partial demolition of the existing substructures includes removal and disposal of the existing concrete pedestals, beam seats, back-walls and parts of the existing concrete abutment and pier stems. The repair and reconstruction of the existing substructures includes reconstruction of the concrete abutment and pier stems, beam seats, back walls and the repair of the abutment stem faces, and pier faces. Replacement of the bridge superstructure includes all related survey necessary to furnishing, fabricating and erecting new steel framing, bearings, concrete deck, sidewalks, parapets, railing, joints and bituminous overlay. Demolition and subsequent reconstruction of roadway approach sections within the limits of work. The subsequent reconstruction of the new roadway includes new asphalt, approach slabs, sidewalks, and guard-rail, and the demolition of portions of the existing wing walls and replacement with new parapet wall and railing. Incidental construction includes but is not limited to site preparation, protection of all existing utilities, maintenance and protection of traffic including detours and closures, and all other incidentals, complete and accepted within the project.

The Contractor will be required, in accordance with the provisions of the Disadvantaged Business Enterprise Affirmative Action Certification for Contractors and Consultants, to meet the established goal of not less than 8.00 percent of the contract bid price, including the established Race-Conscious goal of not less than 0.00 percent, to the Contractors, Subcontractors, and/or suppliers which qualify as Disadvantaged Business Enterprises (DBE's).

Computer Disks for competitive bidding for the above described work will be furnished by the Department of Transportation, Division of Administrative Services, Contracts & Specifications Office, Room 108, Two Capitol Hill, Providence, Rhode Island, 02903, Tel. Number (401)-222-2495. The Plans, Specifications and Special Provisions may also be examined on or after January 8, 2010 every weekday except holidays between the hours of 8:00 AM and 4:00 PM.

The Bid Package consists of a single compact disk (CD) containing the following items: Construction Plans Volume I and Volume II, 2004 Standard Specifications for Road and Bridge Construction, Compilations of Approved Specifications, Required Contract Provisions for Federal-Aid Construction Contracts, General Provisions, Rhode Island Standard Details, Rhode Island Bridge Standard Details, Federal Wage Rates, Contract-Specific General Provisions, Job-Specific Specifications, Distribution of Quantities, Appendices (if applicable), Quest Lite bid file, Quest Lite installation software and a Quest Lite User Manual. Only complete bid packages will be issued.

Propsective Bidders are hereby notified that all questions pertaining to this Contract must be submitted to the Department of Transportation in writing through its website at <http://www.dot.ri.gov/contracting/bids/> by accessing the Questions & Answers Menu located within the "Contracting", then "Contract Opportunities" link. Responses to the submitted questions will also be posted under this link. PHONE CALLS WILL NOT BE ACCEPTED.

For help with RIDOT's Quest Lite bid preparation software, please contact the Contracts & Specifications Office, Room 108, Two Capitol Hill, Providence, Rhode Island, 02903, Tel. Number (401)-222-2495 or e-mail Quest@dot.ri.gov.

Please also note that all Bidding Documents required to be submitted and in fact submitted to the Purchasing Agent as part of a bid will be considered returned to the State and need not be returned to RIDOT.

A bid bond payable to the State of Rhode Island, in the amount of 5% of the total or gross sum of the bid must be furnished by each bidder. The Proposal Guaranty will be furnished by surety companies authorized/licensed to do business in the State of Rhode Island. The State reserves the right to retain the surety of all bidders until the successful bidder enters into the Contract or until such time as the award or cancellation of the Contract is announced at which point Sureties will be returned to all bidders by the State of Rhode Island. A performance bond of one hundred (100) percent of the contract price with a satisfactory surety company will be required of the successful bidder. All surety companies must be listed with The Department of the Treasury, Fiscal Services, Circular 570, (Latest Revision published by the Federal Register). The Department of Transportation reserves the right to reject any or all bids.

Required Contract Provisions - The attention of prospective bidders is called to the fact that this project is to be bid upon and the contract executed under the rules and regulations for carrying out the provisions of the Federal-Aid Highway Act, subject to all appropriate Federal Laws, including Title VI of the Civil Rights Act of 1964, as amended and supplemented, and the required provisions for Federal - Aid Contracts, as provided for in Chapters 85, 86 and 88 of the Public Laws of Rhode Island, 1960.

Wages of labor on Federal -Aid Highway Projects - the prevailing rate of wages for laborers and mechanics employed by contractors or subcontractors on the initial construction of highway projects on the Federal - Aid Highway System, authorized under the Federal Highway Act of 1968, shall be paid wages at rates not less than those prevailing on the same type of work on similar construction in the immediate locality as determined by the United States Secretary of Labor, in accordance with the Act of August 30, 1935, known as the Davis - Bacon Act, under Decision Nos. 1 through 6 as applicable.

Prevailing wage rates and Davis - Bacon Wage Determination Reference Materials are available online at www.purchasing.ri.gov. It is advisable to print only the pages applicable to this bid; the rates active on the Rhode Island Vendor Information Program's bid solicitation date for this project are applicable for the duration of the contract resulting from this bid.

Work Hours Act of 1962 - This contract is subject to Work Hours Act of 1962, Public Law 87-581 and implementing regulations.

Pre-Bid Conference - A Pre-Bid Conference will be held in Providence, Rhode Island, at RIDOT TMC Conference Room on January 19, 2010 at 9:00AM, for the purpose of reviewing construction problems and/or operations concerning the project. Individuals requesting interpreter services for the hearing impaired must notify 401-222-4971 (T.D.D.) a minimum of at least three (3) business days, seventy-two (72) hours prior to the conference date.

SPECIAL NOTE

ANY REFERENCE TO THE RHODE ISLAND DEPARTMENT OF PUBLIC WORKS OR THE DIRECTOR OF PUBLIC WORKS SHOULD BE REVISED TO THE RHODE ISLAND DEPARTMENT OF TRANSPORTATION AND THE DIRECTOR OF TRANSPORTATION RESPECTIVELY.

NOTICE TO ALL BIDDERS

To report bid rigging activities call: **1-800-424-9071**

The U.S. Department of Transportation (DOT) operates the above toll-free "hotline" Monday through Friday, 8:00 a.m. to 5 p.m. eastern time. Anyone with knowledge of possible bid rigging, bidder collusion, or other fraudulent activities should use the hotline to report such activities.

The hotline is part of the DOT's continuing effort to identify, and investigate highway construction contract fraud and abuse and is operated under the direction of the DOT Inspector General. All information will be treated confidentially and caller anonymity will be respected.
